

In case of death of pensioner holding CGHS Card

In case of death of pensioner holding CGHS Card, the dependents can continue using CGHS benefits by converting the card to a family pensioner card. (Source FAQ no.20 My CGHS 2.) FOR Conversion following actions are required.

- Visit AD Office with copy of the death certificate, Aadhar Card and the CGHS Card of the original pensioner.
- CGHS Card, Aadhar Card and copy of the PPO of the family pensioner.
- Fill out the prescribed form and submit the same. Further action will be taken by the office, and the same card of the family will change as a primary card.

Note 1. This can be done online by the spouse and card of the original pensioner can be surrendered in the parent's dispensary. (Source as per actual case)
